

## End Use License Agreement for music recordings

by Image Sounds GmbH

### 1. License object

All music and sound recordings (hereinafter referred to as "Music Works") offered by Image Sounds GmbH („Licensor“) are protected by copyright and related rights of the Federal Republic of Germany, international treaties and other applicable laws both in Germany and abroad.

By purchasing and downloading the Music Works you do not acquire property and do not become the owner of the Music Works but receive a license to use the Music Works in accordance with the conditions of this license as set out below.

### 2. Permitted forms of use

By purchasing and/or downloading the Music Works you acquire from Licensor a simple non-transferable license unlimited as to time and place conveying the right to combine the Music Works with other pre-existing musical works for any purpose including commercial purposes in original or modified form for any form of musical product (in particular parts of music, advertising music, production music, background music for films and computer games, etc.).

You may also convert, store, compress and/or decompress the Music Works according to the technical requirements of your projects. This license and its rights are conveyed solely to you. You may not transfer them to third parties (no sublicensing or transfer of rights).

The Music Works of Licensor are free of third party rights. However, Licensor cannot accept any liability arising out of the concrete forms of use, in particular from combinations of the Music Works with other musical works chosen by you. Please respect third party rights (e.g. copyrights and trademark rights) when using Licensor's Music Works.

### 3. Explicit restrictions

The Music Works are designed to suit your needs in creating new works and therefore are designed to be combined or arranged with other content to form these new musical works. Any other form of use is prohibited. Therefore, you cannot reproduce, distribute, make publicly available, re-sell, rent or lend the Music Works or to offer them for these purposes without editing the Musik Works.

Violations of explicit restrictions of use constitute an extraordinary reason for termination of this license and may lead to other legal consequences.
